Sub: Call for Coordinators

Dear All,

Let me at the outset wish you and your family a very healthy, prosperous and joyful New Year.

ECI plans to induct senior engineers registered in ECI's 'National Register of Professional Engineers' as Coordinators for the respective engineering disciplines.

Their skills shall be to encourage, organize and promote the initiatives and other related activities of ECI i.e.

- 1) organize registration in ECI's "National Register of Professional Engineers",
- 2) suggest, organize and provide assistance in Executive Development Program/ Workshops, 3) promote and organize internship of the AICTE approved engineering college students, and 4) promote National Proficiency Evaluation test (NPET) with our AICTE approved engineering colleges.

Do let us know if you need any clarification. The formal nomination letter would be sent after receiving your consent. Kindly send your acceptance at the earliest to the undersigned on eci.coord@gmail.com. Please also indicate the city or geographical region which you would be able to take care with respect to the initiatives.

With warm regards,

B. R. Jain
Senior Advisor
ECI
